

Marine Science, Technology, and Careers

Teacher Showcase

April 12, 2008 • 4:00 – 7:00pm

Moss Landing Marine Laboratories

Join us for a celebratory presentation of science lesson plans created by teachers

Also featuring special guest speaker:

Dr. Kenneth Coale, Director, Moss Landing Marine Laboratories

Marine Environmental Literacy, the Key to Our Future

The Showcase is a presentation of standards-based, science lessons created by high school and middle school teachers using cutting edge knowledge and skills acquired during the **Marine Biotechnology and Bioinformatics** program. Lesson topics include marine science, DNA analysis, and molecular biology with associated technology and career components.

You are invited to join us for this special event! • Light refreshments will be served.
