

Careerlink Inventory

Not interested in the same old lily pad? Try the CAREERLINK Inventory and leap into a personalized exploration of careers!

The CAREERLINK Inventory is designed to match the way you see yourself -- your interests, aptitudes, temperaments, physical capacities, preferred working conditions and desired length of preparation for employment -- with available career information from the United States Department of Labor. The information you provide about yourself will produce a career profile showing to what extent your self-identified characteristics and preferences match those considered significant in eighty career clusters.

Your responses to the items contained in this inventory must reflect your honest self judgments in order to provide you with meaningful career information. If you are not sure about a particular response, please answer as accurately as possible.
